an abridged translation of christian von bar s gemeineuropäisches sachenrecht i this book outlines the conceptual framework of property law as a domain of erga omnes monopoly rights in this book the dynamics of interaction between the objects contents and holders of property are examined in a comprehensive analysis

the imposition of strict liability in tort law is controversial and its theoretical foundations are the object of vigorous debate why do or should we impose strict liability on employers for the torts committed by their employees or on a person for the harm caused by their children animals activities or things in responding to this type of questions legal actors rely on a wide variety of justifications justifying strict liability explores in a comparative perspective the most significant arguments that are put forward to justify the imposition of strict liability in four legal systems two common law england and the united states and two civil law france and italy these justifications include risk accident avoidance the deep pockets argument loss spreading victim protection reduction in administrative costs and individual responsibility by looking at how these arguments are used across the four legal systems this book considers a variety of patterns which characterise the reasoning on strict liability the book also assesses the justificatory weight of the arguments showing that these can assume varying significance in the four jurisdictions and that such variations reflect different views as to the values and goals which inspire strict liability and tort law more generally overall the book seeks to improve our understanding of strict liability to shed light on the justifications for its imposition and to enhance our understanding of the different tort cultures featuring in the four legal systems studied

includes entries for maps and atlases

over the past two thousand years western legal systems have had to alter some of their most basic principles in order to regulate the giving of gifts this is a study of how legal concepts from the marketplace have been reshaped to accommodate a fundamentally different type of social practice richard hyland examines the law of gifts in england india and the united states and in belgium france germany italy and spain giftsalso surveys the extensive discussion about gift giving in anthropology history economics philosophy and sociology in addition hyland offers a critique of the functionalist method in comparative law and demonstrates the benefits of an interpretive approach

for fifty years the first edition of the italian legal system has been the gold standard among english language works on the italian legal system the book s original authors mauro cappelletti john henry merryman and joseph m perillo provided not only an overview of italian law but a definition of the field together with an important contribution to the general literature on comparative law the book explains the unique italian style in doctrine law and

interpretation and includes an extremely well written introduction to italian legal history government the legal profession and civil procedure and evidence in this fully updated and revised second edition authors michael a livingston pier giuseppe monateri and francesco parisi describe the substantial changes in italian law and society in the intervening five decades including the creation and impact of the european union as well as important advances in comparative law methodology the second edition poses timely relevant questions of whether and to what extent the unique italian style of law has survived the pressures of european unification american influence and the globalization of law and society in the intervening period the italian legal system second edition is an important and stimulating resource for those with specific interest in italy and those with a more general interest in comparative law and the globalization process

prepared by the commission on european contract law chairman ole lando

in these critical essays a leading comparative lawyer examines the movement for convergence of the civil law and the common law describes the italian style and the french deviation contrasts common law estate with civil law ownership explains why the distinction between public law and private law is important to civil lawyers but has little interest for common lawyers exposes the fatal emptiness at the core of the law and development movement proposes a marriage of comparative law and scientific explanation emphasizes the fundamental relation between law and social and cultural change argues that the dominant tradition of comparative law teaching and scholarship is trapped in a cramped and arid 19th century paradigm advocates a culturally broader and historically richer approach to comparative law teaching and scholarship
